Terms and Conditions of Booking

V9

In the following terms and conditions, 'Tour Andalusia' means Tour Andalusia Limited, a UK registered company with registration number 13526246. The 'Guest' means the person, or persons, included in the booking, whose details are included on the booking form, or supplied to us by email.

1. A 'non-refundable' booking deposit is to be paid by the Guest for any booking. All bookings will only be confirmed by Tour Andalusia upon receipt of the deposit and confirmation will be by email. Only one booking deposit is required and covers up to 4 Guests, unless otherwise requested by Tour Andalusia. For 5 or more Guests, the deposit is 15% of the total tour price.

2. The deposit is to be paid via our website, or by bank transfer. Please click on the 'Pay Now' button on the 'Booking' page of our website www.tourandalucia.com to make the booking. Payment can be made by all major Credit/Debit Cards or with a PayPal account. You may be able to make payment by bank transfer in some local currencies and receive advantageous exchange rates, please contact us for details.

3. If we have a bank account in your territory, then balance payments can be made into this, with advantageous exchange rates. We use the 'mid-market' exchange rate, as published on www.xe.com. Balances can also be paid by all major credit/debit cards, we send you an electronic invoice. Credit card payment exchange rates will be the prevailing rates of PayPal who process our card payment transactions and are similar to the rate you receive when making an overseas purchase on your credit card.

4. The balance must be paid no later than 30 days before the tour start date. We do not accept cheques of any kind.

5. You must include the name of the 'Lead Guest' name as the reference on any payment, so that we can correctly allocate payments to your account.

6. Our Tour Services and Prices include:

Transfers to/from airport, train station, hotels in or around Málaga, as appropriate for the specific tour
Transportation for the tour in one of our tour vehicles
Tour Leader guidance in the Cities (*but not within the monuments, you can rent audio guides at the larger ones*)
Bed & breakfast accommodation (*if for any reason the specific accommodation for your tour does not provide breakfast, we will inform you of this in advance*)

The prices exclude:

Any other meals (*including the dinner and Flamenco Performance at Restaurant Jardines de Zoraya in Granada*)
Any shows/performance
Any monument entrance fees (*unless we have pre-booked any for you and added the cost onto your balance*)
Any expenditure not detailed above
Any flight/train/taxi fares, unless otherwise specified

Prices are in £GBP unless otherwise specified.

7. Please note that transfers for any arrivals before/after the official tour start or departure dates are not included, unless agreed by prior arrangement. They are only included on the official arrival and departure dates. If you wish to arrive a few days before the tour and stay locally, we recommend taking a taxi to your accommodation. We will collect you on the tour start day, either from your accommodation or from our central Málaga meeting point. If you wish to have additional days in our Villa, then we include the transfers in the supplementary price. If you wish to spend a few days in the Málaga area after the tour, we will drop up at, or close to, your accommodation within the tour price, but we do not

include any subsequent transfers. The Málaga area includes any location within 15km of Málaga City. We can provide transfer services outside of this for a supplementary cost, contact us for details.

8. Notwithstanding the above, if the conclusion of the tour includes the final tour night with accommodation in Málaga City, we do not include, within the tour price, any transfer to the airport/train station/local hotels on any subsequent day. However, depending on the tour, the cost of the hotel and breakfast for this final night is normally included within the tour price and this will be detailed in the itinerary. You will be required to take a taxi/public transport at your cost from the accommodation for your departure on any subsequent day. In particular, this applies to the 'Ultimate Andalusia' tour, where the final night is included in a hotel in Málaga and also to some Private, or other tours or tour extensions, where the itinerary may include the final night in Málaga.

9. Unless otherwise agreed, the free courtesy transfer service for arrival and departure collection/drop-off covers all arrival and departure collection/drop-off times at/to Málaga Airport or Train Station **between 09:00 and 18:00**. If either your required arrival or departure collection/drop-off time is outside of these times, there will be a supplementary charge payable directly to the driver of €40 for each transfer to cover their additional 'out of normal' working hours. For the centrally based 'hub' tours, it takes 50 minutes for the transfer to Málaga, so we need to depart the accommodation 1 hour before the required drop-off time.

10. In any circumstance, including the 'out of normal hours' service, **the earliest drop-off time in Málaga we can accommodate is 07:30**. If you have a requirement for a drop-off time before this, then you will need to book a local Málaga airport hotel for the preceding night. This is particularly pertinent to any flight departures before 09:30, since you are required to be at the airport 2 hours before the flight departure to clear check-in and security. For train departures you need to be at the station at least 30 minutes before departure, assuming you already have your train tickets and have printed them out. Please read the notes in the FAQs document about train arrivals and departures.

11. Tour Itineraries. The itineraries have been designed to provide what we feel are the best structure for you to see and enjoy the key monuments and places of interest to make the most of your time in each location. Normally, the itineraries are closely followed, however, in the event of unusual circumstances, we reserve the right to modify the itineraries accordingly without penalty or compensation.

12. ALHAMBRA. Tour Andalusia may pre-book and purchase your Alhambra entrances for you and add the cost onto your tour balance, or we may request that you purchase the tickets directly online. If we request you purchase them directly, we will provide simple instructions to you to make the booking. The Alhambra is one of the most visited monuments in Europe, so at peak periods, availability can be limited. Given sufficient notice, it is rare that tickets cannot be obtained, however, in the event that Alhambra entrances cannot be sourced for the planned day of the visit, or an acceptable alternative day, and you wish to postpone your tour, we will provide a credit for you, equal to any sums you have paid to Tour Andalusia, to reschedule your tour to another date.

13. Tour Andalusia, and/or its employees or representatives, will not provide you with detailed historic or cultural information **within** the monuments during the tour. Our Tour Leaders are extremely knowledgeable about the area and will happily share their knowledge about history, culture and gastronomy, but we do not enter the monuments with you. Many of the principle monuments provide Audio Guides for a small fee should you wish to rent them. Our FAQs document explains why we are unable to enter monuments with you.

14. Cancellation by the Guest: Any monies paid by the Guest are non-refundable under all circumstances. Should you wish to reschedule your tour for another time then, subject to availability, and with cancellation no later than 30 days before the planned tour start date, Tour Andalusia may agree to do so and provide a credit towards any future tour. In addition to contributing to operating expenses, tour deposits are used to pre-book any resources required for your tour and ensure they are available for your tour dates. **You must ensure that you have adequate travel insurance** to cover any monies paid.

In all circumstances, should cancellation by the Guest be less than 30 days before the planned date of arrival, then the full amount of the tour will be due and you will be required to pay any outstanding balance.

15. Cancellation by Tour Andalusia: Should the tour be cancelled by Tour Andalusia, due to reasons solely down to its own fault, then the company will provide a credit, equal to the total tour price, to the Guest towards any future tour.

16. Cancellation due to Force Majeure.

A 'Force Majeure Event', that causes cancellation of a tour, is a 3rd party event that cannot be attributed to either party and can be caused by the occurrence of:

- (a) an act of war (whether declared or not), hostilities, invasion, act of foreign enemies, terrorism or civil disorder.
- (b) ionising radiations, or contamination by radioactivity from any nuclear fuel, or from any nuclear waste from the combustion of nuclear fuel, radioactive toxic explosive or other hazardous properties of any explosive nuclear assembly or nuclear component thereof.
- (c) pressure waves from devices travelling at supersonic speeds or damage caused by any aircraft or similar device.
- (d) a strike or strikes or other industrial action or blockade or embargo or any other form of civil disturbance (whether lawful or not), in each case affecting on a general basis the industry related to the affected Services and which is not attributable to any unreasonable action or inaction on the part of the Tour Andalusia, or any of its subcontractors or suppliers, and the settlement of which is beyond the reasonable control of all such persons.
- (d) specific incidents of exceptional adverse weather conditions, in excess of those required for the delivery of the tour, which are materially worse than those encountered in the relevant places at the relevant time of year during the five years prior to the tour start date.
- (e) tempest, earthquake or any other natural disaster of overwhelming proportions; pollution of water sources resulting from any land, air or sea vehicle crash.
- (f) discontinuation of any electricity supply.
- (g) pandemics, national or local viral or other related outbreaks.
- (h) other unforeseeable circumstances beyond the control of the parties, against which it would have been unreasonable for the affected party to take precautions and which the affected party cannot avoid even by using its best efforts,

Which in any of these cases, directly causes either party to be unable to comply with all or a material part of its obligations.

16.1 Neither party shall be in breach of its obligations under this Agreement, or incur any liability to the other party, for any losses or damages of any nature, howsoever incurred, to the extent that they are prevented from carrying out their obligations by a Force Majeure Event. This includes cancellation, postponement or cutting short a tour by Tour Andalusia.

16.2 In the circumstances of a Force Majeure event, any monies paid will not be refunded, however, Tour Andalusia will offer a credit up to, but not exceeding, the value of the monies paid, to be used against any future tour offered by them within 36 months of the planned start date of the original tour.

16.3 Tour Andalusia shall, and shall procure that their subcontractors shall, take reasonable steps within their respective powers and consistent with Good Operating Practices (but without incurring unreasonable additional costs) to:

- (a) prevent Force Majeure Events affecting the performance of their obligations under this Agreement.
- (b) mitigate the effect of any Force Majeure Event.
- (c) comply with its obligations under this Agreement.

17. It is the Guests' sole responsibility to ensure they have suitable insurance in place to cover all possible cancellation circumstances.

18. Unfortunately, we do not have any special facilities for disabled people, please contact us to discuss suitability.

19. You should be in a reasonable state of health for walking around the monuments and Cities. Normally, this can be between 6km & 10km a day.

20. Tour Andalusia can accept no liability for any accidents that may occur when walking through the places we visit. The responsibility for your safety lies with you and/or anyone accompanying you. This includes any pedestrian injuries howsoever caused. You should always be aware of traffic, obstacles, uneven or slippery walking surfaces or any other element that could cause an accident. In particular, if your trip includes a visit to the National Park of El Torcal, you must wear appropriate footwear and clothing and be in a fit state to undertake the walk. You must be careful whilst walking over the rocky surface not to slip or fall as injury may be a result. You are under no obligation to undertake the walk and there is a cafeteria/reception centre onsite.

21. Tour Andalusia cannot accept any responsibility of loss of any articles or possessions during your trip, howsoever caused. This includes any possessions or luggage left in any of Tour Andalusia's vehicles or accommodation. Tour Andalusia's policy is to take reasonable steps to park vehicles responsibly in safe and protected places, such as public car parks, wherever possible. However, it is the Guests' responsibility to ensure that their possessions are insured with appropriate travel insurances for the full duration of the tour/holiday. Additionally, should you include the walking extension to your tour, then you should check that your insurance covers you for the walking elements. This can include walking in hilly/mountainous areas.

22. Tour Andalusia plan tour itineraries in keeping with published monument opening times. However, if any of the monuments are closed on the day of the visit, for any reason, we cannot be held liable for any compensation, since these events are beyond our control.

23. Please note that it is typical in Spanish accommodation (and in other Mediterranean Countries) for the bathroom floors to be tiled, as well as other areas both inside and outside the building. When wet, floors can be slippery and you need to be mindful of this and take care. Tour Andalusia do not accept any responsibility for any guest injuring themselves by slipping on wet tiles. In particular, you should take care in bathrooms if your feet are wet or around swimming pools.

24. Tour Andalusia run a fleet of vehicles that are well maintained and fully insured for your transport. If any mechanical problems occur at any stage during your tour with us, we will make reasonable efforts to rectify these as quickly and efficiently as possible. In instances of such events occurring, we do not provide any compensation, financial or otherwise, and these must be viewed as unfortunate 3rd party unexpected events. We cannot be held responsible in any instance for delays caused by traffic problems, road works, traffic accidents or any other 3rd party event. We build in reasonable contingency, where possible, to limit any negative effect of such events.

25. We cannot be held responsible for any mechanical breakdown of items/facilities in any accommodation, including electricity supply, water supply, hot water heaters or any such services. In any such event, we will make reasonable effort to rectify the problem in a swift manner. Such events may be out of our control.

26. For insurance and vehicle weight/loading safety reasons, unless pre-arranged by email, we are unable to accept any Guest whose weight is more than 125kg (275lbs).

27. Tour Andalusia, and its representatives or contractors, will make reasonable efforts to deliver the tour service and ensure the safety of its staff and clients. However, under all circumstances, any financial liabilities and/or compensation will be limited to the total sum received from any booking made by the Guest.

28. Any disputes or claims for any reason will be applied for and determined within the UK legal system and no other jurisdiction.

29. Tour Confirmation.
